Examples of 15hrs	5x mornings	5x afternoons	2.5days
Examples of 30hrs	5x days		

We ask for a provided healthy snack, packed lunch and labelled bottle of water. There are no additional costs for any session when using government funded sessions. We are a charity and donations are always welcomed: see our donations page for information on how our donations are used.

We do have a minimum of 9 hours for a registered place at the centre. We are unable to care for anyone wanting less than 9hrs across the week due to being a term time centre and building relationships with our children and families.
